

DO YOU USE E-CIGARETTES/VAPE?

You may be eligible to participate in our study to help us study the effects of e-cigarettes/vaping on lung health!

You are able to participate in this study if:

- You are 18+ years old
- You are in one of these 3 groups:
 - 1) current e-cigarette non-smokers
 - 2) current dual users of both e-cigarettes and traditional cigarettes or combustible marijuana
 - 3) current non-e-cigarette using combustible marijuana only user

For more information, please contact:
